DESCRIPTION:

Childhood growth is a phase of enormous changes in the metabolic activities, resulting in rapid overall growth in body including Physical, Intellectual and Emotional. VitaRRun Syrup provides the essential nutrients that typically meet the nutritional requirements (apart from the normal diet) of growing kids. It promotes growth by supplementing the nutritional deficiencies and optimizing the biological needs of cells and tissue.

INGREDIENTS:

Sugar, Sorbitol, Xanthan Gum, Methyl Paraben Sodium, Propyl Paraben Sodium, Sodium Benzoate, Anhydrous Citric Acid, Bronopol, Edetic Acid, Flavouring Agent, Purified Water.

DOSAGE:

Infants: Half teaspoonful twice a day.
Children (1-4 YEARS): One teaspoonful twice a day.
Children (4-12 YEARS): One teaspoonful thrice a day.
Or as directed by Physician

INDICATIONS:

VitaRRun Syrup is multivitamin and mineral preparation. It is used for all round development of growing children. To help minimise the incidences of infections in growing children.

CONTRAINDICATIONS:

VitaRRun Syrup is contraindicated in patients having hypersensitivity to any of its components.

SPECIAL PRECAUTIONS:

Do not exceed the specified daily dose unless it's advised by your healthcare professional. Food supplement should not be used as a substitute for varied, healthy & balanced diet.

STORAGE:

Store it in cool & dry place, below 30°C
Do not freeze. Protect from direct sunlight.

PRESENTATION OF PACK:

VitaRRun Syrup is available in pack of 200 ml glass bottle in carton along with insert.
